Summer School English Themes

Week 1 (22.06 – 26.06) ~ Emotions

Vocabulary & Language Focused Activities

- **Emotion Word Wall:** Match simple synonyms like 'glad' and "happy' onto a dedicated display wall.
- **Facial Expression Bingo:** Hear a feeling called out, then cover the matching cartoon face on a bingo card.

General Activities

- **Emotion Charades:** Kids act out complex feelings using only facial expressions and body language.
- **Musical Mood Painting:** Paint freely while listening to changing tempos of classical, jazz, and upbeat music.

Week 2 (29.06 – 03.07) ~ Hidden Creatures and Dinosaurs' World

Vocabulary & Language Focused Activities

- **Animal 20 Questions:** Practice repetitive question structures like "Does it fly?" or "Is it big?".
- **Giant Dino Labeling:** Stick vocabulary labels like claws, tail, and teeth onto a large wall drawing.

General Activities

- **Fizzy Egg Excavation:** Bury mini plastic dinosaurs inside baking soda blocks that fizz open with vinegar.
- **Clay Footprint Casting:** Press realistic toy animal paws into air-dry clay to create faux fossils.

Week 3 (06.07 – 10.07) ~ Around the World

Vocabulary & Language Focused Activities

- **Suitcase Packing Drill:** Use real props to chant and expand sentence patterns like "I pack a...".

General Activities

- **Passport Challenge:** Set up global stations where kids solve brief riddles to earn country stamps.
- **Global Architecture:** Build small replicas of famous monuments using toothpicks, mini marshmallows, or Lego.

Week 4 (13.07 – 17.07) ~ Drama Club

Vocabulary & Language Focused Activities

- **Action Verb Charades:** Act out performance-based action verbs like run, shout, cry, or laugh.
- **Red Carpet Interview:** Use script frames like "What is your name?" and "What is your movie about?".

General Activities

- **Shadow Puppet Theater:** Build cardboard box stages and cut out dark paper puppets for flashlight storytelling.
- **Stop-Motion Animation:** Use phones/ tablets to record short toy figure animations frame by frame.

Week 5 (20.07 – 24.07) ~ Discovering Nature through Art

Vocabulary & Language Focused Activities

- **Back-to-Back Dictation:** Describe a landscape scene using spatial prepositions like under, above, or next to.

General Activities

- **Solar Print Art:** Arrange gathered ferns, leaves, and flowers on cyanotype paper to expose under the sun.
- **Flower Hammering:** Smash freshly fallen petals onto cotton fabric using wooden mallets to transfer natural pigments.

Week 6 (27.07 – 31.07) ~ Science is Fun

Vocabulary & Language Focused Activities

- **Lab Verb Actions:** Learn experimental actions through physical movement like pour, mix, measure, and observe.
- **Float or Sink Prediction:** Practice future tense and hypothesis formulas using "I think it will...".

General Activities

- **Egg Drop Engineering:** Design protective pods for raw eggs using only drinking straws, tape, and balloons.
- **Popsicle Stick Bridges:** Construct miniature architectural bridges and test how much weight they can hold.

Week 7 (03.08 – 07.08) ~ Medicinal Plants, a Source of Health

Vocabulary & Language Focused Activities

- **Five Senses Test:** Complete flavor and sensation sentence frames like "Lemons taste sour" or "Mint smells fresh".
- **Recipe Sequencing Blocks:** Connect cooking steps chronologically using transition words like first, then, and finally.

General Activities

- **Tea Tasting Bar:** Blend safe, dried herbs like mint and chamomile to name and brew custom teas.

Week 8 (10.08 – 14.08) ~ Journey into the Land of Stories

Vocabulary & Language Focused Activities

- **Reading time.**
- **Chain Storytelling Circle:** Pass a soft ball around a circle to add exactly one short sentence per child.

General Activities

- **Fractured Fairy Tales:** Perform short skits mixing characters up (e.g., the Big Bad Wolf meeting Cinderella).
- **Role-play**

Week 9 (17.08 – 21.08) ~ Art & Craft with Recycled Materials

Vocabulary & Language Focused Activities

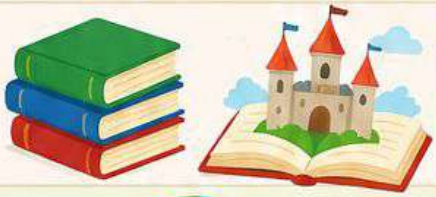

- **Material Sorting Race:** Quickly sort trash items into bins labeled with material nouns like plastic, paper, or glass.

General Activities

- **Trashion Fashion Show:** Design and wear creative costumes made purely out of clean newspaper and plastic caps.
- **Junkyard Rhythm Band:** Build DIY instruments out of tin cans and cardboard tubes for a group concert.
